The threat of the current war regime and a perspective for constituent peace

The humanitarian organisation medico international has published an interview with Raúl Sánchez Cedillo based on his new book *Esta guerra no termina in Ucraina* (This War Will Not End in Ukraine). The German translation of the book is forthcoming with transversal texts in cooperation with medico international in February 2023.

The Viennese magazine *Das Tagebuch* also recently published an interview conducted by Pablo Iglesias with Sánchez Cedillo about the book. In 2021, transversal texts published the German translation of Sánchez Cedillo's *Lo Absoluto de la Democracia* (The Absolute of Democracy).
